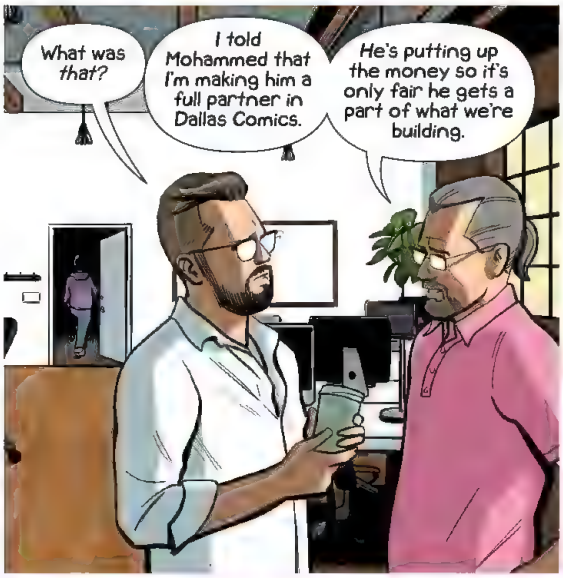
Dave is Dave.
How's it going at my parents' place? You know...
...most people your age move back in with *their* parents, not someone *else's!*
It's been fine. Hard to sleep with the sound of them [redacted] though.

I'll talk to my team and get the ball rolling, Mr. Dallas!
No rush! We're just getting started!

And if it isn't our amazing writer! Go dream up scenes to inspire a world of fans!
Uh, yeah, sure.
Love to inspire the fans.



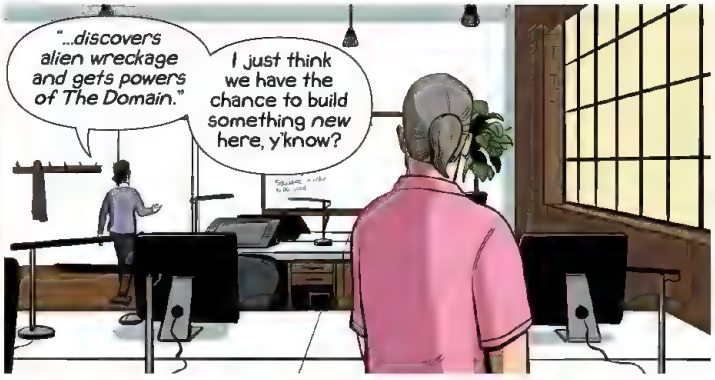
What was *that?*
I told Mohammed that I'm making him a full partner in Dallas Comics.
He's putting up the money so it's only fair he gets a part of what we're building.

I ... guess that makes sense.
I just don't like the idea of anyone owning parts of this who aren't you.

I never thought I should own all of *The Domain!* I actually still feel *weird* that Jerry doesn't own any of it.
The people involved, putting in their work, they should all benefit.

Speaking of *work*, did you two read my character notes yet?
Uh, we did, but—
I'm sorry, Syd, but...

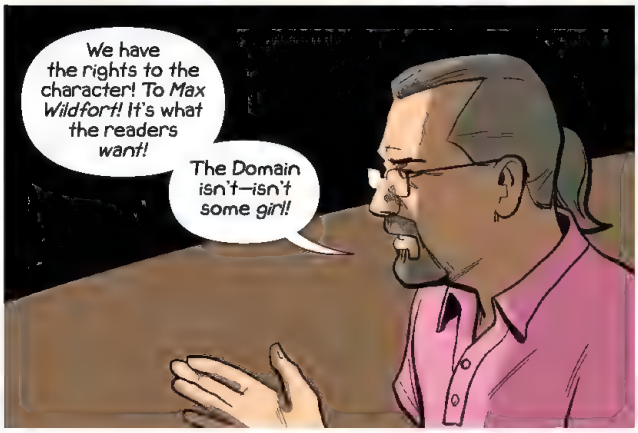
...I don't know what's *different* about this Domain.
Your notes are basically the same thing you left back in '82.
"Max Wildfort. White young man...



-RESPONSIBILITY of First Contact
-Using power for GOOD (what IS "good")
-Sacrifice in order to DO good

Things have changed since you created the book.
I'm not sure we need *another* story of what power means to a young white guy.
But—but that's who The Domain *is!*

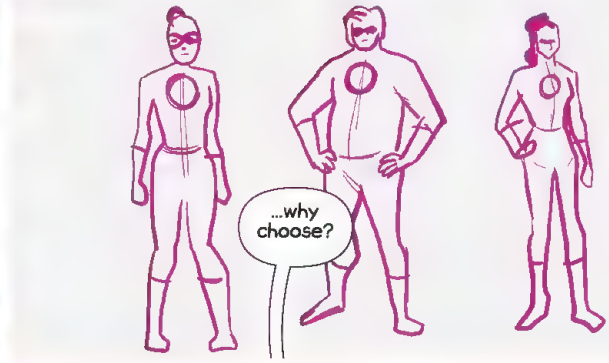
But why not? If we're doing a story about gaining power...
...isn't it *more interesting* to give that power to someone who keeps getting told that they should be "empowered"...
...but then *is* continually shown that they actually have none?
That the government controls what they do with their bodies and—



What, vaccines? I'm not sure I want anti-vaxx stuff in—
Uh. Abortions, Dad. She's talking about laws on women's bodies.
And just like... being able to take up space, to be heard.
A woman given superpowers just feels more interesting to me...
What's up? Sorry I'm late...
Kittens stuck in a tree. Whole bunch of them. Tree was more kittens than tree, really.
Sure. Welcome to the big gender debate again.

Christ, you dudes are so binary.
This is like back in 2019 when I was dating Jillian, but also Kyle and sometimes Nadia.

They were like, "you have to choose blah blah you never listen to our feelings blah blah."
But really...



...why choose?
